Commenting on the development, the management team of GSL said:
Business Update

Captive IR Strategic Advisors Pvt. Ltd.

“We are thrilled to announce the launch of our Quartzites series, a remarkable addition to our product portfolio, produced at our advanced manufacturing facility in Dubai, UAE. This collection consists of 22 premium, nature-inspired engineered quartz products that beautifully replicate the look of natural stone while offering exceptional durability.

Crafted from the finest raw material, cristobalite, the Quartzites series stands out with its sleek white appearance and refined finish, making it a perfect choice for those seeking both aesthetic appeal and practicality. The low-maintenance qualities of these products enhance their attractiveness, ensuring they meet the needs of modern consumers looking for beauty without the hassle.

This launch underscores our commitment to innovation and excellence in the engineered quartz industry, enabling us to serve a diverse clientele, strengthen our market position, and explore new territories. We believe that the Quartzites series will not only elevate design possibilities but also resonate with clients seeking serene and elegant solutions for their spaces.

As we continue to expand our offerings, we remain dedicated to providing high-quality products that exceed customer expectations. We look forward to seeing the positive impact the Quartzites series will have on our growth trajectory and our ability to serve our clients effectively.”

About Global Surfaces Limited (GSL)
