

INDEPENDENT AUDITOR'S REPORT

To The Members of GLOBAL STONES PRIVATE LIMITED

Report on the Audit of the Standalone Financial Statements

We have audited the standalone financial statements of GLOBAL STONES PRIVATE LIMITED ('the Company') which comprise the Balance Sheet as at March 31,2021, Statement of Profit and Loss Statement, the Cash Flows Statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31,2021, its Profit and its cash flow for the year ended on

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143 (10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matters

We draw attention to the following matters in the Notes to the financial statements:

- a) Note 38 to the financial statements which describes the management assessment of the impact of COVID-19 on the business operations and their assessment that no adjustments are required in the financial statements as it does not impact the current financial year. However, in view of highly uncertain economic enviornment, a definitive assessment of the impact on the subsequent periods is highly dependent upom
- b) Note 39 to the financial statements which describes certain errors observed by the management due to incorrect data and integration errors in the ERP system implemented during the year by the company and taking corrective action by way of reconciling certain accounts balances with alternative methods including physical stock taking, re-valuation etc and passing corrective entries in the financial records.

Our opinion is not modified in respect of these matters.

Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board Report, but does not include the financial statements and our auditor's report thereon. The management has represented that other information shall be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

When we read the Board Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those

Responsibilities of Management for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements to give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We

- · Identify and assess the risks of material misstatement of the Standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- · Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by
- · Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence,

Report on Other Legal and Regulatory Requirements

- 1 As required by the Companies (Auditor's Report) Order, 2016 issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013(hereinafter referred to the "Order"), and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explantions given to us, we give in the Annexure"A" a statement

GLOBAL STONES PRIVATE LIMITED

Annexure - B to the Auditors' Report

Report on the Internal Financial Controls with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to financial statements of GLOBAL STONES PRIVATE LIMITED (Company") as of March 31,2021 in conjunction with our audit of the standalone financial statements of the Company for the year ended

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act. 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31,2021, based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matter

Broadly, the Company is having most of the system in place as required for the compliance of Internal Financial Control on Financial Reporting. However, those systems or controls are having scope of further improvement. Also, the Company has not documented adequately the internal financial controls based on the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. The management has covered the gaps observed in internal financial control during the course of the audit and has assured that the documentation process will be completed soon and will not result in any material weakness in internal financial controls. Based on our audit procedures, we are of the opinion that the Company has rectified all material observations of our audit on internal financial controls over financial reporting to ensure that they do not significantly affect financial reporting on Internal Financial Control as on Balance Sheet date.

SIGNIFICANT ACCOUNTING POLICIES

1 Basis of Accounting

- (a) The financial statements have been prepared in compliance with the applicable Accounting Standards specified under Section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014 and other pronouncement of Institute of Chartered Accountant of India, with relevant provisions of Companies Act, 2013 and generally accepted accounting principles applicable in India (GAAP). Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires changes in the accounting policy hitherto in use.
- (b) The financial statements have been prepared under historical cost convention on an accrual basis except in case of significant uncertainties .
- (c) All the assets and liabilities have been classified as current or non-current as per Company's normal operating cycle and other criteria set out in Schedule III to the Companies Act, 2013. Based on the nature of product and time between the acquisition of assets for processing and their realization in cash and cash equivalent, the Company has ascertained its operating cycle to be 12 months for the purpose of current non-current classification of assets & liabilities.

2 Uses of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates. Management believes the assumption used in the estimates is prudent and reasonable. Difference between the actual results and estimates are recognized in the period in which the results are known /materialized.

3 Property, Plant and Equipment

Property, Plant and Equipment are stated at cost less accumulated depreciation and impairment losses. Cost includes capital cost, freight, duties, taxes and other incidental expense incurred during the construction / installation stage attributable to bringing the asset to working condition for its intended use.

4 Depreciation

- (a) Depreciation on Property, Plant and Equipment, other than assets acquired on lease, is being provided over the useful life of an asset on written down value method and in the manner specified in Schedule II of the Companies Act, 2013. Depreciation on Plant & Machinery is provided considering the useful life of the Plant and Machinery as per the technical advice.
- (b) Leased Assets are amortized equally over the period of lease.
- (c) Sofware is amortised over the period of its useful life.

5 Impairment of Assets

The carrying amounts of assets are reviewed at each Balance Sheet date if there is any indication of impairment based on internal/ external factors. An asset is treated as impaired when the carrying cost of assets exceeds its recoverable value. An impairment loss is charged to the Profit & Loss Account in the year in which an asset is identified as impaired. The impairment loss recognized in prior accounting periods is reversed if there has been a change in the estimate of recoverable amount.

6 Inventories

- a) Inventories are valued at lower of cost and estimated net realisable value. Cost is determined on "First-in-First-Out", "Specific Identification" or Weighted Averages" basis as applicable. Cost of Inventories comprises of cost of purchases, cost of conversion and other direct costs incurred in bringing the inventories to their present location and condition. Cost of Finished goods are determined on absorption costing method. Semi Finished Goods are Finished Goods pending Quality Inspection.
- b) Identification of a specific item and determination of estimated net realisable value involves technical judgment of the management, which has been relied upon by the Auditors.

Director

7 Foreign Currency Transactions

a) Intitial Recognition

Transaction denominated in foreign currency are normally recorded at the exchange rate prevailing at the time of the transaction.

b) Conversion

Monetary items denominated in foreign currency at the year-end are translated at closing rates.

c) Exchange Differences

Exchange differences arising on settlement of monetary items or on re-statement of monetary items at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognised as income or as expenses in the year in which they arise.

8 Borrowing Costs

Borrowing Costs attributable to the acquisition or construction of qualifying assets are capitalized as a part of the cost of such assets. All other borrowing costs are charged to revenue.

9 Revenue Recognition

a) Sale of Goods

Revenue from sales of goods are recognised when the risk and rewards of ownership of the product is passed on to the customer, which is generally on dispatch of goods and/or on the date of clearance by Customs and is stated net of returns, trade discounts, claims etc.

b) Other income:

Other income is mainly accounted on accrual basis, except in case of significant uncertainties.

10 INVESTMENT

Non-Current Investments are stated at cost. Provision for diminution in the value of long-term investments is made if such decline is other than temporary in nature.

11 Cash and cash equivelants

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents.

12 Employees benefits

i) Post employment employee benefit plans

Contributions to defined contribution retirement benefit schemes are recognised as expense when employees have rendered services entitling them to such benefits.

For defined benefit schemes, the cost of providing benefits is determined using the Projected Unit Credit Method, with actuarial valuations being carried out at each balance sheet date. Actuarial gains and losses are recognised in full in the statement of profit and loss for the period in which they occur. Past service cost is recognised immediately to the extent that the benefits are already vested or amortised on a straight-line basis over the average period until the benefits become vested.

The retirement benefit obligation recognised in the balance sheet represents the present value of the defined benefit obligation as adjusted for unrecognised past service cost, and as reduced by the fair value of scheme assets. Any asset resulting from this calculation is limited to the present value of available refunds and reductions in future contributions to the scheme.

ii) Other employment benefits

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees is recognised during the period when the employee renders the service. These benefits include compensated absences such as paid annual leave.

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognised as an actuarially determined liability at the present value of the defined benefit obligation at the balance sheet date.

Sweta Inah

JAPUR FRANCOUNT

13 Earning per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

14 Taxes on Income

Current tax is accounted for after taking into account deductions that are expected to be available to the company. Deferred tax is accounted for by computing the tax effect o timing differences, which arise in a year and reverse in subsequent periods. Deferred tax assets are not recognized unless there is 'virtual certainty' that sufficient future taxable income will be available against which such deferred tax assets will be realized.

Minimum Alternative Tax (MAT) paid in accordance with the tax laws in India, which gives rise to future economic benefits in the form of adjustment of future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax after the tax holiday period. Accordingly, MAT is recognised as an asset in the balance sheet when the asset can be measured reliably and it is probable that the future economic benefit associated with it will fructify

15 Provisions, Contingent Liabilities and Contingent Assets

The company recognizes a provision when there is a present obligation as a result of a past even that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation that the likelihood of outflow of resources is remote, no provision or disclosure is made. Contingent Assets are neither recognized nor disclosed in the financial statements.

- 32 In the opinion of the management, the internal and external sources does not give any indication of impairment of assets of the company as at the Balance Sheet date and the estimated recoverable amount of cash generating units is more than their carrying value. Being a matter of technical nature, auditors have relied upon the judgment of the management.
- 33 In the opinion of Board of Directors, Current Assets, Loans and Advances have been on realization at least equal to the amount at which they are stated in Balance Sheet. Adequate provisions have been made for all known liabilities.
- 34 There is no other reportable segment except "Block Manufacturing" segment hence no disclosure is required to be made in accordance with AS-17 "Segment Reporting" issued by Institute of Chartered Accountants of India.
- 35 The Company has taken due care to comply with the GST Act, 2017 proivsions but the company is in the process of reconciliation of GST input claimed in the returns vis a vis the books of account vis a vis GSTR 2B. Any error/ mistakes or omissions found during the reconciliation shall be accounted for as and when reconciliation is completed. However, the management as a matter of prudence has made a provision to the extent of input appearing excess in the books of account vis a vis the electronic credit ledger appearing on the GST portal.
- 36 The Company at the beginning of the year had MAT Credit entitlement of Rs. 4,18,15079/-. During the year the company was eligible for, MAT credit entitlement of Rs. 5,107,7,000/- . The management is of the view that after the sunset period of SEZ deduction under section 10AA, the company will be required to pay tax at normal rate and therefore there is reasonable certainty that the MAT Credit entitlement shall be recovered in future. Therefore, the management decided to account for the balance MAT Credit entitlement of Rs. 9.28.92.079/- in the books of accounts and has shown the same under Long term Assets.

For Global Stones Py

Sweta Shah Director

(in accordance with revised Schedule III to the Companies Act, 2013- to the extent applicable)

As at 31st March, 2021

As at 31st March, 2020

37 CORPORATE SOCIAL RESPONSIBILITY EXPENDITURE

- a. Gross amount required to be spent by the company during the year is Rs. 25,88,387/- (calculated as per 2% of the average net profits of the company made during the three immediately preceding
- b. Total amount spent during the Year 2020-21 is Rs. 26,33,508/- which is in excess of amount required.

c. Amount spent during the year on:

| Particulars | In Cash | Yet to be paid in cash | Total |
|---|--------------|------------------------|--------------|
| Donations through Trusts/direct social expenditure | 2,633,508.00 | | 2,633,508.00 |

38 The Company is primarily in the business of manufacturing and export of natural stones thats includes Granite, Marble & quartzities and Engineered Quartz and other stone slabs and counter tops . The management based on their internal assessment of its business do not anticipate any material impact on financials due to COVID 19 pandemic and therefore no adjustment is required in the financial statements. However, the pandemic situation is evolving and the management shall take further assessment of its business as and when required.

39 The Compnay during the year had implemented ERP system for first time and due to certain incorrect data, integration errors in system implementation the management during the year reconciled these accounts with alternative methods including physical stock taking, re-valuation etc. Accordingly, corrective entries were passed in the ERP system to ensure that correct position is reflected in the financial records. The Management as at the yearend has represented that all reconciliation entries have been passed to ensure that all the integration and system implementation errors are eliminated/rectified and books of accounts as at year end shows correct financial values.

40 The Company has system of obtaining periodic confirmations of balances from banks and other parties. With regard to receivables, the Company trade receivables are generally on COD or on average 90 days credit period. Based on the receipts of subsequent payments from Trade receivables, the balances outstanding as at the year end can be said to be confirmed. Similarly, the trade payables can be said to be confirmed on the basis of subsequent payments made to the suppliers and to other payables. However, adjustments if any will be accounted for on confirmation/ reconciliation of the same, which in the opinion of the management will not have a material impact.

41 Figures for the previous year in Balance Sheet have been regrouped and rearranged whereever considered necessary
